Connecticut Public School Hiring and Salary Trends Since 1992

INTER-DISTRICT
The state provides funding for transfers and the receiving district can pay for transportation via a voucher system.

CHARTER SCHOOL
The local or regional board of education of the school district to which the charter school is located provides transportation services for students of the charter school who reside in the district.

PRIVATE SCHOOL
District will provide the same kind of transportation services provided for the children attending public schools when a majority of the children attending the private school are residents of the state of Connecticut.
