transportation privileges within any town or district as are provided for
Students who reside in the school district in which the charter school is located must be provided transportation by the district on the same terms and conditions as provided for students who reside in the school district in which the public school they attend is located. Charter school students attending approved private schools, up to and including the 12th grade, shall be entitled to the same transportation resources.

New Hampshire does not provide support nor requires districts to pay for the transportation of inter-district transfer students.
