School Choice in New Hampshire

New Hampshire offers K–12 students and their families several types of school choice, including three private school choice programs, charter schools, magnet schools, home schooling and inter-district and intra-district public school choice via open enrollment policies.

PRIVATE  PUBLIC  CHARTER  HOMESCHOOL

Private School Choice

New Hampshire has three private school choice programs, an education savings account (ESA), tax-credit scholarship and town tuitioning. These programs help some families send their children to participating private schools, and, in the case of the ESA program, to customize an education by purchasing multiple learning materials and services.

New Hampshire Program List

- Education Freedom Account Program
- Education Savings Account
- Town Tuitioning Program
- Town Scholarships
- Education Tax Credit Program
- Tax Credit Scholarship
