Oregon Public School Hiring and Salary Trends Since 1992

INTER-DISTRICT
Oregon does not provide support nor requires districts to pay for the transportation of inter-district transfer students.

CHARTER SCHOOL
The charter school is responsible for providing transportation to students who reside within the charter school district and who attend the charter school, but the charter school may negotiate with a school district for transportation services.

PRIVATE SCHOOL
All children attending private or parochial schools under the compulsory school attendance laws are entitled to transportation along or near the designated routes when the district provides transportation for public school students.
