EdChoice Private School Choice Fiscal Calculations

Percentage Change

Inter-District
Oregon does not provide support nor requires districts to pay for the transportation of inter-district transfer students.

Charter School
The charter school is responsible for providing transportation to students residing in the school district and who attend the charter school, but the charter school may negotiate with a district for transportation services.

Private School
All children attending private or parochial schools under the compulsory school attendance laws are entitled to transportation along or near the designated routes when the district provides transportation for public school students.

Oregon Student Transportation

Avg. District Busing Expenditure Per Pupil: $1,047
