I, Olivia Jimenez, declare as follows:

1. I am a resident of Racine, Wisconsin. I am an adult over the age of 18 years, have personal knowledge as to all matters contained herein, and am fully competent to make this declaration.

2. I am employed as a business analyst for Walgreens.

3. I am a single mother of three children. My oldest son, E.J., is thirteen years old and in eighth grade. My daughter, A.S.J., is eleven years old and in fifth grade. My youngest son, A.R.J., is four years old and in K-4.

4. I have sole legal and physical custody of A.R.J. I share custody of E.J. and A.S.J. with their father but have sole primary placement.

5. All three children currently attend Trinity Lutheran School in Racine. Next year, my oldest son will move to Racine Lutheran High School for his freshman year.

6. My oldest two children attended public school until starting at Trinity Lutheran for the 2023-2024 school year.

7. I use the Racine Parental Choice Program (RPCP) established by Wis. Stat. § 118.60 to pay E.J.'s and A.S.J.'s full tuition, and half of A.R.J.'s tuition. I pay the remaining half of A.R.J.'s tuition. When he begins kindergarten at Trinity Lutheran School next year, the RPCP will pay for his full tuition as well.

8. My children feel safe and valued at Trinity Lutheran, and they receive a great-quality education there.

9. As a parent, I love the faith-based education and community that Trinity Lutheran provides my children. Sending them there was the best educational decision I have made.

10. I plan to continue using the RPCP to send my children to private school next year and in the years to come.

11. The tuition at Trinity Lutheran is expensive—$5,100 for full-time students—and challenging to pay for multiple children in a single-income household. When my oldest begins at Racine Lutheran High School next school year, the financial burden would be even greater, as tuition is $11,500 for the 2026-2027 school year.

12. A judgment taking away or limiting the RPCP would be devastating to me and my children. I would not be able to afford tuition. Without the RPCP Program, I will not be able to provide my children with the faith-based education that I know is right for them.

I declare under penalty of perjury that the foregoing is true and correct.
